## "...GIVES US AN EDGE."

"We've investigated several other cash-based programs and I cannot find anything that has the ease of installation, the ease of management and the variability to attract patients from all levels as has GRAVITY. It was a pre-packaged deal that came with all the levels of support from efi, so we didn't have to work so hard."

- Sue Sulley, President  
Rascal Creek Physical Therapy, Merced, CA

*At Rascal Creek, the GRAVITY program is like a private trainer without the high dollar ticket. Patients stay after discharge to utilize the service.*
